Dear Parents / Carers

Please see the message below and the attached poster from the Local Authority:

Cheshire West and Chester Libraries now provide free eBooks and eAudio titles to library members via [Borrowbox](#). One just has to download the app and be a library member ([free to join online here](#)) and know one's PIN number ([available from any library if forgotten](#)). This then gives access to thousands of titles, including some like Matt Haig's "Evie and the Animals" (until 20 December) and "A Boy Called Christmas" (from 26 November) where hundreds of people can read the same copy instantly, with no queues. Children can borrow eBooks and place a reservation on one currently with a waiting list, all for free, with no late fees – the eBook simply disappears from the device at the end of the loan period.
